

Impart knowledge and values for a lifetime.

St. Richard's is an independent school for students age 3 through Grade 8, with a mission to impart knowledge and values for a lifetime. We strive to transform students into productive global citizens who embrace diversity, appreciate the value of learning, and are prepared to excel in high-school and beyond. Our mission is achieved through our Five Pillars for Success, Classic Curriculum, Civic Responsibility, Faith, Global Readiness, and Leadership.

Established in 1960, St. Richard's is rooted in Episcopal values that welcome students of all faiths and beliefs. We remain Indiana's only independent Episcopal school. We actively nurture a diverse student community, placing high value on the inherent dignity of every child. Our community is strong, engaged, diverse, and accepting.

Our curriculum is focused on rigorous academics, with a strong emphasis on public speaking, leadership, the fine arts, and athletics. Students thrive in small class sizes nurtured by our

exceptional faculty. St. Richard's is responsive to the changing needs of our students and families and adapts based on educational research and community input. St. Richard's is proud to be a leader in prioritizing student well-being by banning phones during the school day. We have secured our classrooms, lunchroom, and outdoor recess as no phone zones for the past eight years.

St. Richard's is situated at 33rd and Meridian Streets, just north of downtown Indianapolis. We welcome you to schedule a personalized tour to witness firsthand what makes St. Richard's such a special place. To learn more about our school and schedule a visit, please visit our website at www.sresdragons.org or contact Kim Napier, the Director of Admission and Enrollment Management.
